

WELCOME TO THE HAVERING CHAMBER MEMBER SHOWCASE DAY

Wednesday 10 June 2026
The Liberty Shopping Centre, Romford

At today's Showcase you'll meet a selection of local businesses who are proud members of the Havering Chamber of Commerce.

The Chamber exists to help local businesses connect, grow and thrive — strengthening the local economy and supporting the communities of Havering.

These businesses represent just a small number of the 150+ businesses supported by the Chamber.

Most are small and medium-sized businesses, sole traders, family-run companies and start-ups - all owned and operated by local people with ambition, passion and a commitment to Havering.

That means when you buy their products, use their services or recommend them to others, you are helping to support local jobs, local families and the local economy.

It really does make a difference.

Supporting Business Across Havering

The Havering Chamber is part of a network of national Chambers of Commerce.

We are a non-profit making, friendly and welcoming member-driven organisation whose aim is to protect, connect and promote the interests of the local business community.

What does the Chamber do?

- Organises regular monthly networking events
- Helps businesses meet new customers and contacts
- Shares advice, knowledge and opportunities
- Supports business growth
- Works with local organisations and the Council
- Gives local businesses a stronger voice in Havering
- We are also affiliated with the London Chamber providing many services free of charge.

Do you know a local business owner?

If you have friends, family or contacts who run a business in Havering, encourage them to discover the benefits of becoming part of the local business community.
